### Confidentiality and Data Protection

---

*GDPR compliance:* The [General Data Protection Regulation](#) (2016/679/EU) guarantees that the processing of data is carried out in compliance with the fundamental rights and freedoms, as well as the dignity of the data subject with particular reference to confidentiality, personal identity and the right to data protection. METASTARS consortium will process personal data in line with the regulation mentioned above.

By applying, the applicant agrees on the storage and use of its personal data for the execution of the METASTARS objectives and work plan. The METASTARS consortium commits to handling personal data confidentially except for the call results, which will contain the following information:

- Information about successful METASTARS service applications that will be made publicly available before the service implementation: applicant(s) name, awarded funding and short description of the service (as provided by the applicant in the application template).
- Information about successful METASTARS service types that will be made publicly available after the service implementation: applicant(s) name, awarded funding and updated short description of the service (as provided by the beneficiary in the Final Report).

The processing of data that METASTARS intends to carry out will be based on lawfulness and correctness in the full protection of its rights and its confidentiality pursuant to the general principles of the GDPR and its art.24. Therefore, the competitors are informed of the procedure that the data provided by the applicants will be treated exclusively with reference to the procedure for which they submitted the documentation.

The applicants can exercise their rights towards the data controller, pursuant to article 12 of the GDPR. For any inquiries regarding the processing your personal data, please contact [dpo@athena-innovation.gr](mailto:dpo@athena-innovation.gr)

Applications selection and evaluation will be performed under the appropriate ethical conduct and will respect the confidentiality of the information received.

**I understand and agree with the information stated above.**
